

Rule *910. Satisfaction of Judgment

Whenever the Prothonotary is requested to mark any judgment satisfied, whether by praecipe or otherwise, the person making or filing the request shall first satisfy the Prothonotary by affidavit, and, if required by the Prothonotary, by additional proof that said person is the owner of the judgment to be marked satisfied or has fulfilled the requirements of Pa.R.C.P. 205.1. No judgment shall be satisfied by or on the order of any attorney-at-law unless such attorney shall have first entered an appearance for the plaintiff.
